Safety culture

A diverse group of industrial workers, including men and women of various ages, are celebrating in a factory setting. They are wearing hard hats (yellow and red) and business casual attire. Several workers have their arms raised in the air, and one woman in the center is holding up a large sheet of paper, possibly a blueprint or a certificate. The background shows industrial equipment and a bright, well-lit environment.

injuries

A black and white photograph of a magnifying glass resting on an open, spiral-bound notebook. The magnifying glass is positioned over the notebook's pages, which contain faint, illegible handwriting. In the lower-left foreground, there is a solid orange circle with the text "Audit programs" written in white. The notebook's spiral binding is visible on the left side, and the pages are lined. The background is dark and out of focus.

Questions

A photograph of two men in a warehouse setting. The man on the left is wearing a yellow safety vest over a blue shirt and brown pants. The man on the right is wearing an orange safety vest over a white patterned shirt and blue jeans. They are both looking at a clipboard held by the man in the yellow vest. The man in the orange vest is pointing at the clipboard. In the background, there are stacks of boxes and a white van. A large orange circle is overlaid on the bottom left of the image, containing the text "Corrective action".
